2020 HAULER PERMIT APPLICATION

FOR GARBAGE, RECYCLABLES, CONSTRUCTION & DEMOLITION DEBRIS, YARD WASTE AND SCRAP METAL

PLEASE READ AND REVIEW THIS ENTIRE APPLICATION AND SIGN THE LAST PAGE.

1. You must complete this application if you are in the businesses of removing, collecting, transporting or disposing of garbage, recyclables, construction and demolition debris (C&D), yard waste and/or scrap metal.

2. Application must be legible and submitted with the permit fees. Fees are per vehicle. Checks are to be made out to **Commissioner of Finance**; write "hauler permit" in memo section. Permit fees for 2020:

Permit for Garbage / Recyclables / C&D vehicles weighing 26,000 lbs or more	\$265.00
Permit for Yard Waste / Scrap Metal vehicles weighing 26,000 lbs or more	\$130.00
Permit for any vehicle weighing less than 26,000 lbs	\$105.00

Mail application and check to: Rockland County Department of Health, Center for Environmental Health, 50 Sanatorium Rd, Building D, Pomona, NY 10970. HAULER PERMITS WILL NOT BE ISSUED IN PERSON.

- 3. Vehicle registrations must be submitted for all vehicles that require hauler permits.
- 4. Permit(s) will be valid for one (1) year; expiration dates are listed on the bottom Part D/page 3 of this application.
- 5. The permit sticker must be posted on or near the driver's side window on each vehicle.
- 6. **All garbage, recyclables, C&D and yard waste collected in Rockland County shall be delivered to a municipal facility designated by the Rockland County Solid Waste Management Authority (RCSWMA) in accordance with Chapter 350 of the Laws of Rockland County (Flow Control Law).** For facility information, including acceptable material, hours of operation and rates, please contact the RCSWMA at www.rocklandrecycles.com or (845) 753-2200.
- 7. **All waste containers should display the name or initials of the hauler who collects the container. Rolloffs, compactors, closed shipping containers and dump trailers should be labeled with unique ID numbers or letters to distinguish it from other containers.** Numbers or letters should be in the top left area on all sides of the container, at least 16 inches from top. Container labels should be at least 3 inches high, and a different color than the container.
- 8. The permit holder shall comply with all Federal, State, County, local and RCSWMA requirements, laws, rules and regulations.
- 9. For information or questions regarding this application, please contact the Department of Health at (845) 364-2175.

Checks made out to Commissioner of Finance
write "Hauler Permit" in memo section on check

Total Fees Due \$ _____

Part E - Applicant Certification

I do hereby certify that the information being submitted on and with this application is true and accurate to the best of my knowledge. I certify that commercially removed, collected, transported and/or disposed of offensive and/or non-offensive material in Rockland County, shall be done so in compliance with Article III of the Rockland County Sanitary Code and Chapter 350 of the Laws of Rockland County (Flow Control Law). I certify to the following conditions:

- That a valid hauler permit is displayed at all times on or near the driver's side window on each vehicle used to remove, collect, transport and/or dispose of offensive and/or non-offensive material.
- That all vehicles used to remove, collect, transport and/or dispose of offensive and/or non-offensive material are maintained in a clean, sanitary and leak-proof condition.
- That all vehicles used to remove, collect, transport and/or dispose of offensive and/or non-offensive material maintain covers over these materials or maintain in a closed vehicle.
- That all vehicles carry a broom or shovel.
- That all loads of garbage, recyclables, C&D, yard waste and scrap metal shall be kept separate and not combined at any time. Each instance in which materials are combined will constitute a violation of the Flow Control Law.
- That all garbage, recyclables, construction and demolition debris, and yard waste collected, picked-up, or removed in Rockland County are delivered to a Rockland County Solid Waste Management Authority (RCSWMA) designated facility for disposal.
- That the applicant has both Worker's Compensation and Disability Benefit coverage as required by law.
- That the applicant shall comply with all Federal, State, County, local and RCSWMA requirements, statutes, laws, rules and regulations. Failure to comply with any provision of the Flow Control Law, Article III, these rules and regulations or any permit issued pursuant hereto may subject the permit holder to action by the Department of Health in accordance with Article I of the Rockland County Sanitary Code. Such action may result in the issuance of a Notice of Formal Hearing and may result in revocation of permit(s) and/or civil penalties. The permit holder shall respond to any notice it receives from the Department of Health in the fashion and within the time required as set forth in any such notice.
